SUMMARY

I'm a kind and hardworking person willing to make a positive impact on the lives of my family and society. I am passionate about creating solutions for people that increase the quality and comfort of their lives. Among all the incredible ways in which I can make an impact, I believe that the aforementioned role is what best fits my passions.

I am well versed in various fields such as networking, data entry, web page design, etc. I am mostly interested in developing websites with the help of the Java programming language. I also excel in my communication skills, and I am trilingual (Nepali, Hindi, and English). And I am a person who completes given tasks with full dedication.

EXPERIENCE

Web Hosting Technical Support (Internship) | Tyro Soft Pvt. Ltd. November to February

Managed client communications and provided effective solutions to technical issues, including IP unblocking, IP address re-syncing, and master record management. Assisted clients in selecting the most suitable hosting plans by offering detailed insights and recommendations. Collaborated with the support team to ensure seamless resolution of client concerns, enhancing overall service efficiency and customer satisfaction.

Science Practical Teacher | Ideal Model School 12/2022 to Present

Conducted hands-on science practical sessions for students from Grade 1 to 10, aligning experiments with the school curriculum. Designed and demonstrated engaging science experiments to enhance student understanding of core scientific principles. Collaborated with fellow teachers to integrate practical science activities with theoretical lessons for a more comprehensive learning experience.

Network Technician | Everest Network Communication Pvt. Ltd. 09/2022 to 2024

I am working at Everest Network Communications Pvt. Ltd. as a Network Technician. My major responsibilities included implementing and configuring network devices and troubleshooting network-related problems, as well as maintaining and upgrading computer software and hardware.

Technical Support (L1) | Barahathawa Network Pvt. Ltd. 05/2020 to 05/2022

I worked at Barahathawa Network Pvt. Ltd. as a Network Technician. My major responsibilities included implementing and configuring network devices and troubleshooting network-related problems, as well as maintaining and upgrading computer software and hardware.

EDUCATION

Masters in Financial Engineering, MScFE | WORLDQUANT UNIVERSITY **2025 to Present**

WorldQuant University offers a Master in Financial Engineering (MScFE) program, providing a rigorous curriculum designed to equip students with advanced quantitative finance skills. The program is delivered online, allowing students worldwide to gain expertise in financial engineering, data-driven decision-making, and risk management.

Bachelor's degree, BICT | Asia e University **2021 to 2025**

Virinchi College is in partnership with Asia e University (AeU) which is located in Kumaripati, Lalitpur, Nepal. Virinchi College is offering Master of Business Administration (MBA) and Bachelor of Information and Communication Technology (BICT). 3.01 CGPA

10+2, Science Faculty | Ideal Model School **2018 to 2020**

Ideal Model School provides higher studies in two faculties; they are the Science Faculty and the Management Faculty. I completed my 10+2 studies in the Science Faculty with a 3.02 GPA
